# MAXI BINS

Small Parts Plastic Storage Bins

## Versatile bin storage and small parts handling system

The comprehensive range of Maxi storage bins provides a versatile, modern storage and handling solution for all kinds of items. Maxi bins are extremely durable, resistant to both oil and water and designed to stand up to constant use in demanding working environments.

### Adaptable Storage

Maxi bins can be stacked one on top of the other or hung from a range of louvered panels, to give easy access and effective use of storage space. With colour-coding, label holders and dividers, Maxi bins can be bought individually or supplied as part of an integrated storage system.

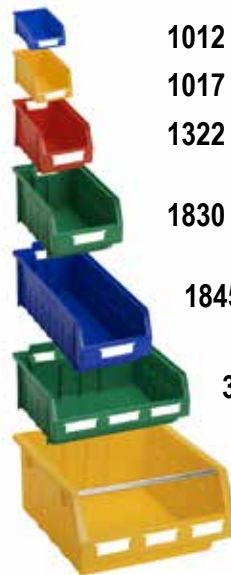

### Maxi bins:

A wide flat ledge with raised outer lip and locating lugs makes for easy, stable stacking. Easy-to-insert, lock-in dividers for segmenting bins from left to right, dividers are also available for segmenting bins front to.

Recessed panels give extra rigidity and provide internal locating slots for dividers. Large label holders for easy identification and coding.

A wide range of plated steel hooks and painted spigots are available for use with louvered steel panels; 457mm wide and either, 457mm, 904mm, 1372mm or 1829mm high.

**1012** W100mm x L125mm x H60mm Load 2.3Kg Vol 0.4l LP24

**1017** W100mm x L175mm x H85mm Load 4.5Kg Vol 0.75l LP16

**1322** W130mm x L225mm x H125mm Load 9.0Kg Vol 2.1l LP9
