

CASE STUDY PRÉCIS

Client: Mediplus Limited
Project Type: Cleanroom
Project Size / Duration: 170m² / 12 weeks

Project Description:

Mediplus are an Industry award winning company focused on the research, development, manufacture and marketing of innovative medical devices that meet the needs of patients and clinicians worldwide.

Previously they had their product packing outsourced and with sustained growth, decided to expand and carry out all operations in house. Stodec Products Cleanroom Division was chosen for the design & installation of this prestigious project on a competitive tender basis and after viewing previous projects.
